To Whom It May Concern:

The Library Board of Trustees of the South Pasadena Public Library and the Community Facilities Task Force have utilized the consulting services of Allison Sampson since January of 1999. Ms. Sampson has served as a retreat facilitator, a focus group leader and a consultant for a needs assessment project.

We have found her to be knowledgeable and effective. She has demonstrated sensitivity to our goals, concerns and financial constraints. Although we have, of necessity, moved at a slow pace, Ms. Sampson has been patient and supportive. Her continued enthusiasm has been greatly appreciated.

We continue to work with Ms. Sampson and feel that our association has been, and continues to be, very beneficial.
